

# Oregon Junior Classic Tournament Association December 17, 2017 -Christmas Doubles Classic

---

**Corson/Johnson, Frazier/Wallin, Yamasaki/Chin**  
**win 2017 Allen's Crosley Holiday Doubles Classic**

(Trevor Johnson, Joshua Corson, Jacob Frazier, Lailani Wallin, Ashton Yamasaki, Elijah Chin)

**Thank you to Allen's Crosley Lanes for hosting our tournament.**

Through the help of [Storm Bowling Products](#), our terrific Youth Leaders raised an additional \$480 selling raffle tickets that added to our prizes. Please volunteer to become part of the Youth Leadership Program. We recently added more leaders, but could always use more. Remember . . . it's the hard work that these Leaders put in that put money into our scholarships. Help them by being a team member and become a Youth Leader or assist them when they are at your center trying to raise money for our tournaments.

**What a great tournament!** Most of the teams consisted of league team-mates, siblings, and friends made through the OJC. We saw a few new faces as well. It was so nice to see all of our bowlers and parents having a good time. Please continue to spread the word letting others know of our tournaments. It's all about the experience and having a good time.

Storm Bowling Products were very generous supporting the youth once again. All of the bowlers that participated in this tournament received a small gift for Christmas. They got cups with treats and a bag of Storm goodies.

Thank you, Storm Bowling Products and Leanne for thinking of us.

The new plaques with the new OJCTA logo got its debut and

there was positive feedback and overwhelming approval from the bowlers.

Along with the new plaques, we introduced shirts for sale with our OJCTA logo on them. The single colored logos are on cotton t-shirts and the multi-colored logos are on dry-fit material shirts. If there is anything special that you'd like (i.e. sweatshirts, hoodies, etc.), contact Gary and he can see what he can do to make it happen. The proceeds of these shirts will go towards our scholarship funds. Wear these shirts with pride that you belong to a special organization . . . **"Where Friendships are Made"**.

## The AA Division (390 & up) –

There was a lot of action in our top division with consistent high scores being put up on the board. There were 6 teams in this division, and they all made the finals. All 6 bowled outstanding and deserved to battle it out.

The team of Tanner Acosta and Donovan Grubaugh won 4 of the 5 games in their match play and closed in on Elijah Chin and Ashton Yamasaki to face them in the final sixth game. With the talent of Acosta and Grubaugh, it was destined to happen. If you had watched these 4 all day, you just knew it was going to be a battle to the very end.

After all was said and done, Grubaugh /Acosta won the final match by a single pin. It wasn't enough however to overtake Yamasaki /Chin for first. The team of Tyler Coates and Silas LeBlanc defeated team Tucker Kause and Will Dettmer for 3<sup>rd</sup>. Ashton Yamasaki used the [Storm Hy-Road](#) and Elijah Chin used the [Storm Code Red](#) to win the title.

Coates, LeBlanc, Acosta, Grubaugh, Yamasaki, Chin

1<sup>st</sup> Place – Yamasaki / Chin - \$80 each    2<sup>nd</sup> Place – Grubaugh / Acosta - \$40 each

Corson, Johnson, Boudreau, Wheeler, Anderson, DuFrain

**A Division (341 to 389) –** This division was just as exciting to watch as the AA class. Midway through qualifying, the top of the division began to pull away from the rest of the field with Jessica DuFrain throwing down a 246 to close it out.

In match play, the team of Josh Corson and Trevor Johnson won 4 of their 5 matches . . . but . . . so did the team of Brooklyn Boudreau and Noah Wheeler. These teams would face each other in the final match with Corson/Johnson coming out on top with Johnson using the new [Storm Intense](#) and Corson using the [Storm Hy-Road](#) to take home

the title and earning Corson a banne and a star for Johnson's banner . Team Kerissa Anderson/Jessica DuFrain edged out team Joe Brooks/AJ Hooper to take third.

The cut was 1781

1<sup>st</sup> Place – Corson/Johnson - \$80 each    2<sup>nd</sup> Place – Wheeler/Boudreau - \$50 each    3<sup>rd</sup> Place –Anderson/DuFrain - \$30 each

**B Division (156 to 179)** – The B Division was again our largest division and consisted of a few teams made up of siblings/family members. The popularity and consistent high entry numbers for the B Division bodes well for the future of the organization as these bowlers gain more experience and begin to move up towards the higher divisions.

In match play, the brother-sister team of Jacob Frazier and Lailani Wallin won all 5 of their matches to face the team of Tom Ellis and Austin Case in the final match. Despite losing their final match of the day, it wasn't enough to take them out of 1<sup>st</sup> place earning Lailani a banner. Jacob Frazier used the new Storm Hy-Road Nano and Lailani used the Storm Sure Lock bowling over 21 pins over her average for the 11 games to win the title.

The team of Charlie Davis and Chris Dowers took third

Wallin, Frazier, Case, Ellis, Davis, Dowers

The cut was 1553.

1<sup>st</sup> Place – Frazier/Wallin - \$80 each

2<sup>nd</sup> Place – Ellis/Case - \$60 each

3<sup>rd</sup> Place – Davis/Dowers - \$40 each

4<sup>th</sup> Place – Conradi/E. Strehle - \$30 each

See you all at Northgate Bowl in Salem, 2380 Northgate Ave. NE, Salem, OR, 97303 on January 21<sup>st</sup>. Check the OJCTA Facebook page for updates in the event of inclement weather. Spread the word and bring a new bowler to join the fun.
